**Re: 2009 B.C. Confederation of Parent Advisory Councils Member Resolutions**

Dear Minister Hansen,

At the 2009 BCCPAC Annual General Meeting, member delegates representing PACs and DPACs came together from across the province to discuss issues vital to student success.

We would like to bring the following resolution, specifically destined to your Ministry, to your attention.

***2009.10 Mandated Support Tied to Low FSA Outcomes***

BCCPAC urge the Minister of Education to expand the FSA program to include an additional component, with additional provincial funding as appropriate, that mandates follow up of poor FSA outcomes, including enquiry as to causes and provision of additional provincial support to address any identified causes/problems.

We kindly ask that your Ministry review these resolutions, and we welcome an opportunity to discuss it with you at your earliest convenience.

Sincerely,

Ann Whiteaker  
President
